

# Meet the teacher

Hello Sycamore class, I am Miss Taylor and I am so excited to be one of your new teachers'. I will be working in Sycamore class on Wednesdays, Thursdays and Fridays, but I will be around school all week. This will be my first class at Calveley, so I am looking forward to getting to know you all!

I live in Warrington, I have a dog called Bella who is my "fur child" and I am currently learning sign language. One of my favourite things to do on the weekend is climb mountains and explore new places.
